Please try and see if you have this issue with Internet Explorer/Edge, Firefox and Google Chrome)

This error message is a common issue with Internet Explorer and the new Microsoft Edge browser.

In Internet Explorer, try and go to **Tools...**and select **Internet Options**

In the Internet Options window, select the **Advanced** tab

Scroll down to the **Security** section and un-check the **Allow software to run or install even if the signature is invalid**

Click OK to save the settings and close the **Internet Options** window.
